[edit this source](#) or [create a new source](#)

In section 2, add the Ref. that is displayed at the bottom left of the Household detail in FMP. No other fields are required in section 2.

## 2. Citation - What are the specifics of the information or evidence provided by this source?

### Detail (required)

RG101/4680B/008/26 Letter Code: NTBD

*Enter the title, or the film number, volume, etc.*

In Section 3, Tick the boxes that are relevant, which for me are Name, DOB and Gender and then press the submit Button.

The Persons' Facts page should now have a 1939 Source listed.

The screenshot shows the '1939 Register Entry' page for a person born in 1886. The page has a blue header with a red silhouette icon, the title '1939 Register Entry', and details: 'BIRTH 1886', 'DEATH Unknown', and '3rd cousin 1x removed'. Below the header is a navigation bar with 'LifeStory', 'Facts' (selected), 'Gallery', and 'Hints'. The 'Facts' section has a 'Show' dropdown and an 'Add' button. It lists 'Name and gender' and a 'Birth' fact for 1886 with '1 Source'. There is an 'Add Fact' button. The 'Sources' section has an 'Add' button, a 'Search on Ancestry' button, and a list of 'Other Sources' including '1939 Register'.

**Add Fact**

Now Click on the and select Residence from the drop down Menu, once clicking in the drop down menu I press R twice which takes me to the Residence entry.

The screenshot shows the 'Add Fact' dropdown menu. The menu is open, showing a list of options: 'Religion', 'Residence' (highlighted in blue), 'Retirement', 'Sealing to Parents', 'Sealing to Spouse', and 'Separation'. Below the list is a search bar with the text 'Residence' and a dropdown arrow. A close button (X) is visible in the top right corner of the menu.

Next I add 1939 for the date, I add the address from the FMP record and then the same Ref from the 1939 entry.
